

*Working with our clients for a more sustainable future.*

## Sustainable Maintenance

Boxer FM pledge to provide sustainable property maintenance services to Registered Providers by:

- The use of electric vehicles to lower carbon emissions
- Using pure water when window cleaning to irradicate the use of chemicals
- Recruiting locally and promote car sharing to reduce the number of vehicles on the road and travel time
- Producing electronic work documents to lower the use of paper
- Conducting planned maintenance to help reduce nonessential call-outs
- Using local sub-contractors where required
- Recycling and waste management – boasting 0 emission and 0 to landfill
- Either composting or mulching grounds maintenance waste
- Encouraging tree and wildlife preservation
